Communication dated 14 June 1995 from the Executive Director of the Danube Commission addressed to the Chairman

Further to paragraph 2 of Security Council resolution 992 (1995) dated 11 May 1995, I have the honour to inform you that on the basis of information available to it the Danube Commission is satisfied that preparations for repair of the locks in the "Iron Gates I" system on the right bank of the Danube have been completed.

I should be grateful if you would bring this information to the attention of the Security Council.

I also wish to inform you that the repairs to the locks on the left (Romanian) bank have been completed and that the locks have been operational since 9 May 1995. The repairs took six months to complete.

(Signed) H. STRASSER
Executive Director
